

The Miller Marley Handbook is a guide to policies, procedures and general information pertinent to the school. Our policies are in effect to ensure the integrity of each class and to promote a professional working environment that is conducive to learning. The safety, security and well being of the students is our utmost concern. Miller Marley is constantly striving to better serve its customers and to maintain the highest standards possible. Your support and cooperation with regard to our policies and procedures is greatly appreciated.

Arrival and Dismissal

All parents must be responsible for being on time when dropping off and picking up their children.

- Parents are strongly advised to call the studio if they will be late in picking up their child.
- Parents should not arrive late, after the studio has closed.
- Miller Marley cannot be responsible for any children who are left unattended in empty classrooms, the office area or outside the studio.
- Upon arrival, please do not leave children under 12 years old unattended in classrooms where an instructor is not present. Usually, instructors are in the process of changing classes and will arrive shortly.
- After class has been dismissed, those children who have not been picked up will be sent to the office.

Attendance and Make-Up Policy

Progress is dependent upon consistent attendance. Making up missed classes is an indication of a conscientious student. Please observe these policies with regard to make-up classes:

- Make-up classes should be taken during the Quarter in which the absence(s) occurred.
- Make-ups may be carried over from one Quarter into another with the consent of the office.
- Make-ups may not be carried over from the Fall through Spring Quarter to the Summer Quarter.
- Missed classes cannot be made up in a Quarter for which the student has not paid.
- The correct day and time of the make-up class should be verified with the instructor in advance. Occasionally, classes are cancelled before the studio has deleted them from the printed schedule or the website. Please call to confirm.

Cancellation of Classes - Closed Classes

- There must be a minimum of 10 students enrolled to provide a class. If fewer than 10 students are enrolled by the second week, the class will be cancelled. At that time, the studio will try to re-schedule the student and if this is not possible, tuition will be returned minus \$15.00 per class taken.
- The determination to close a class when the enrollment has been reached or exceeded is made by the individual instructors.
- Closed classes can be accessed online in The Schedule At A Glance during the enrollment period and thereafter and on the printed schedules after the start of classes.

Class Placement

At the beginning of every Fall Quarter and Summer Quarter, returning students will be given proper class placement. Class placement is at the sole discretion of our teaching staff. New students will take a placement class during which the instructor will determine the correct class level for the student. Sometimes, an extended period of one to three weeks is required to observe the student in our classroom setting before this determination can be made.

Communication

Consistent and effective communication is key to establishing a successful partnership between our families and the school. Miller Marley utilizes the following methods to communicate information:

- Through personal phone calls and in person
- Via e-mail (Parents are advised to have an e-mail address on file in the office.)
- Through memos posted in studio windows and on the community bulletin board in the office
- Via the online Miller Marley website and Facebook page
- Through quarterly newsletters that highlight student accomplishments and current events at the studio

Parent - Teacher Communication

- Parents with concerns about their child are encouraged to make an appointment to conference with the child's instructor. Often, teachers do not have the necessary time to devote to lengthy discussions before or after class and much prefer to have these conversations in private, at a mutually appropriate time.

Dropping a Class

- Once enrollment fees have been processed, there will be a \$10.00 charge to drop a class or classes.
- A Drop Class Form must be completed and turned in to the office by the first day of the Quarter.
- If the Drop Class Form is received after the first day of the Quarter, the responsible party still will be obligated to pay the tuition for the dropped class / classes for that Quarter.
- Regardless of whether a student is attending class, the studio will continue to charge the account until a Drop Class Form has been received.

Enrollment

All continuing students are required to enroll again prior to the first day of fall and summer classes. Upon enrolling, every family is required to complete a new Student Registration Form. By signing the Student Registration Form the parents of all students agree:

- To complete the basic information on the Registration Form every Fall Quarter and Summer Quarter.
- To release and hold harmless the Miller Marley School of Dance and Voice, its employees, officers or agents for any and all liability for any injury claim, demand, cause of action or loss of any kind.
- To promptly pay all tuition by the beginning of each and every Quarter and agree to pay any and all late fees and costs of collection.

Food and Drink - Trash and Personal Belongings

- Food or drink is not allowed in the office area. Food is allowed only in the lounge area of Studio #5.
- Water, in a plastic container, is the only beverage allowed in the studios. Water bottles should be labeled with the student's first and last name.
- Drinking fountains are located in Studio #1 and Studio #5.
- Miller Marley cannot be responsible for any personal belongings left at the studio. A Lost and Found is located in the back of Studio #5.
- To promote a neat, clean and orderly environment, we ask that all patrons make a conscious effort to pick up their personal belongings and to throw away trash.

Injury (see Liability Release Form included in enrollment packet)

- Where matters of safety are concerned, Miller Marley reserves the right to correct the behavior of any child who is behaving in such a way as to cause physical harm to himself/herself or others.
- Should a child become injured, the parent(s) will be notified immediately. Parents are strongly advised to carry their cell phones with them at all times and to have all emergency phone numbers on file in the office.
- Since dance is a physical activity, injuries may occur. Each student may decline to participate in any activity that he/she deems harmful and must inform the instructor of any physical limitations that may prevent full participation.

Observation Policy

- Parents and guests are welcome to observe classes during Parent Watch Week, held at the end of each Quarter. The Recital / Dance Showcase takes the place of the Spring Watch Week in those classes participating in the performance.
- Before enrolling, prospective families are welcome to make an appointment to observe any class / classes of interest. This may be done with the consent of the individual instructor.
- After enrolling, any party who wishes to observe a class for reasons other than those listed above must obtain permission from the instructor.
- Observation is not permitted when a substitute teacher is conducting the class.

Parking

- All adult and teenage drivers should drive safely in the parking lot and watch carefully for other drivers and pedestrians, especially small children.
- Do not park or wait in undesignated parking areas.
- Parents are advised to caution children to use the crosswalk when entering or exiting the parking lot.
- During warm weather, those customers who park by the sidewalk and run their air conditioners should be advised that the car fumes and hot air exhaust could pose a health hazard to those people who have chosen to sit outside the classrooms.

Photo, Video and Audio Consent

By enrolling in Miller Marley School of dance and Voice, all families give their permission to the studio to photograph, video film and/or record their children and further consent to the use of such materials for all uses including recital videos, class photos and all promotional material including the studio website and Facebook page.

Rules of Conduct

- Each student is expected to conduct himself/herself in an appropriate manner and to show respect for his/her instructors and fellow classmates at all times.
- Miller Marley has a zero tolerance policy for bullying and will not allow the behavior of one student to jeopardize in any way the safety and/or physical / emotional well being of another student.
- Students are required to arrive on time for class. Students who walk in late miss valuable class time and are a distraction to the students who are already there. Continual late arrivals to class must be approved by the instructor.
- Miller Marley cannot be responsible for students who leave the premises during breaks between classes. (see Parental Consent Form included in enrollment packet)
- Students may not chew gum in class.
